“SURAKI” COMPANY – HISTORY

The company was established in 2001 and is an agro-industrial complex; **In 2001** was signed the first financing contract with **World Bank**, in the value of **180.000 USD**, project title – “Extending the ostrich growing in south area of Romania in view of organization and operating the family farm for ostrich growing”.

In 2005 year it was signed **the 2-nd project** financed by EU non-reimbursable financing program. The project – “Modernization of the farm for ostrich growing” was finalized in 2006, having the value of **547.000 EUR**, financing source – **SAPARD funds**

The 3-rd project name “Plant for slaughtering and processing the ostrich meat” was started **in 2005**, having the finalization term in 2007. It was realized using the **SAPARD funds**, and its value was more than **4.000.000 EUR**.

At present “SURAKI” SRL has finished **the 4-th project**, financed by non-reimbursable program from **European Regional Development Fund – ERDF**. The project duration was for **2 years (2010–2012)**, having its value of **717.060 EUR** and the title “Advanced research for transformation of some wastes (ostrich fat) in the product of high economical value”.
